

PRIVACY POLICY

This privacy policy governs your use of the software application iKeywi - Customizable 5-Row Keyboard (Application) for mobile devices that was created by Hiraku.

What information does the Application obtain and how is it used?

The Application obtains the information you provide when you download and register the Application. However, please keep in mind that you may not be able to use some of the features offered by the Application unless you enable the "Allow Full Access" option, which let the Application load your preferences.

Automatically Collected Information

In addition, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, your mobile operating system, the type of mobile Internet browsers you use, and information about the way you use the Application. However, we don't record any information from the keyboard extension. The "Allow Full Access" feature is a requirement of saving and loading the options of the keyboard. All your inputs and information won't be saved or transferred to anyone.

Does the Application collect precise real time location information of the device?

No. We don't collect any information about your location.

Do third parties see and/or have access to information obtained by the Application?

No. Never.

What are my opt-out rights?

You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. You can also request to opt-out via email, at support@hiraku.tw.

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for a reasonable time thereafter. We will retain Automatically Collected information for up to 36 months and thereafter may store it in aggregate. If you'd like us to delete User Provided Data that you have provided via the Application, please contact us at support@hiraku.tw and

we will respond in a reasonable time. Please note that some or all of the User Provided Data may be required in order for the Application to function properly.

Children

We do not use the Application to knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at support@hiraku.tw. We will delete such information from our files within a reasonable time.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. For example, we limit access to this information to authorized employees and contractors who need to know that information in order to operate, develop or improve our Application. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here and informing you via email. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes. You can check the history of this policy by emailing us.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing, means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the United States. If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at support@hiraku.tw.
